Quaker Service Australia

Quaker Service Australia exists to express in a practical way the concern of Australian Quakers for the building of a more peaceful, equitable, just and compassionate world.

QSA works with communities in need to improve their quality of life with projects that are economically and environmentally appropriate and sustainable. QSA welcomes support from anyone who shares an interest in our work.

Living Gifts 2017 - 2018

Living Gifts support the work of Quaker Service Australia, the international development agency of the Quakers in Australia. By giving a Living Gift to a friend or colleague, you are also helping our partners in India, Cambodia, Uganda, Zimbabwe or Indigenous Australia. These Living Gifts have been decided upon with project partners. They will improve access to services, and increase knowledge, skills and community expertise.

How the Living Gifts Work

When you select and order one of the gifts, QSA will send you a card with an image of that gift on the front. You can write your message on the card and then give it to the friend, colleague or family member that you wish to make the gift on behalf of. Administrative, printing and postage costs of up to 10% may be deducted.
