MANAGEMENT COMMITTEE'S REPORT

Your committee members submit the financial report of the Quaker Service Australia Incorporated (the 'association') for the financial year ended 30 September 2016.

Committee Members

The names of committee members throughout the year and at the date of this report are:

Garry Duncan (appointed 20/9/2013, appointed Convenor 17/10/2015)

John Dundas (Volunteer staff, appointed Treasurer 17/10/2015)

Jackie Perkins (staff)

Glyn Naunton (appointed 7/1/2013, retired 1/7/2016)

Audrey Wilson (appointed 7/1/13)

Chloe Mason (appointed 6/1/2014, retired 31/1/2016)

Michael Morrissey (appointed 20/9/2013, retired 11/10/2015)

Richard Gibbons (appointed 4/6/2016)

Miriam Goodwin (appointed 4/6/2016)

Mary J Merindol (appointed 6/8/2016)

Ex officio:

AYM Presiding Clerk Julian Robertson, retired 9/7/2016

Jo Jordan appointed 9/7/2016

AYM Secretary Susan Addison, died 10/11/2015

Jacque Schultz appointed 1/7/2016

The Regional Meeting Quaker Service Committee Representatives and Convenors are:-

Representatives (who are also members of the Committee)

Canberra Regional Meeting
Queensland Regional Meeting
South Australia & Northern Territory Regional Meeting
New South Wales Regional Meeting
Tasmania Regional Meeting
Victoria Regional Meeting
West Australia Regional Meeting
Henry Esbenshade

Principal Activities

The principal activity of the association during the financial year was the provision of aid for humanitarian projects in Australia and overseas.

No significant change in the nature of these activities occurred during the year.

Operating Result

The net surplus amounted to \$65,361 (2015: deficit \$2,470).

Review of Operations

During the current year the association has continued to provide services in line with our vision and purpose statement and also in line with the view of a not-for-profit organisation.

MANAGEMENT COMMITTEE'S REPORT

Auditors Independence Declaration

The lead auditor's independence declaration for the year ended 30 September 2016 has been received and can be found on page 5 of the financial report.

Signed in accordance with a resolution of the Members of the Committee

John Dundas

Treasurer

Garry Duncan

Convenor

Dated this 20 day of January 2017

the next solution

To the Management Committee of Quaker Service Australia Incorporated

Auditor's Independence Declaration under subdivision 60-40 of the Australian Charities and Not-forprofits Commission Act 2012.

In accordance with Subdivision 60-40 of the Australian Charities and Not-for-profits Commission Act 2012, I am pleased to provide the following declaration of independence to the Management Committee of Quaker Service Australia Incorporated.

I declare that, to the best of my knowledge and belief, during the year ended 30 September 2016 there have been no contraventions of the auditor independence requirements as set out in any applicable code of professional conduct in relation to the audit.

Yours sincerely

Vexia

Nexia Sydney Audit Pty Ltd

Lester Wills

Director

Chartered Accountant, Registered Company Auditor

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2016

1 Significant accounting policies

1.1 Basis of preparation

The financial report includes the financial statements and notes of Quaker Service Australia Incorporated ('on the association').

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and interpretations of the Australian Accounting Standards Board, the Australian Charities and Not-for Profits Commission Act 2012 and the Australian Council for International Development Code of Conduct Financial Standards. Quaker Service Australia is an association incorporated in New South Wales under the associations Incorporation Act 2009 and is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs. The amounts presented in the financial statements have been rounded to the nearest dollar.

These financial statements are presented in Australian dollars, which is the association's functional currency.

The financial statements for the year ended 30 September 2016 were authorised for issue on 13 January 2017 by the Management Committee of Quaker Service Australia Incorporated.

1.2 Voluntary change in accounting policy

The association has changed its accounting policy for the recognition of grant income and program costs. The new policy recognises grant revenue when the association obtains control or right to receive the grant, it is probable that the economic benefits gained from the grant will flow to the association, and the amount of the grant can be measured reliably.

Grants that are refundable should specified services not be delivered or specified conditions not satisfied, are initially recognised as a liability and revenue is recognised as the services are performed or the conditions satisfied. Previously, grants were recognised as revenue on a cash basis.

Program costs are now recognised as a liability when the service provider has met milestone requirements. Previously they were recognised when paid.

The impact of the above changes were to increase deferred income by \$126,000 (2015: \$120,000), decrease revenue by \$6,000 (2015: \$nil) increase project funding payable by \$94,909 (2015: \$103,503) and decrease project expenses by \$8,594 (2015: \$14,424). Opening retained earnings as at 1 October 2014 was reduced by \$237,926.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2016

1 Significant accounting policies (continued)

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

1.3 Revenue

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of discounts. The association recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the association's activities as described below. All revenue is stated net of the amount of goods and services tax (GST).

a) Interest revenue

Interest income is recognised on an accruals basis, using the effective interest method.

b) Grant revenue

Grant revenue is recognised when the association obtains control or right to receive the grant, it is probable that the economic benefits gained from the grant will flow to the association, and the amount of the grant can be measured reliably.

Grants that are refundable should specified services not be delivered or specified conditions not be satisfied, are initially recognised as a liability and revenue is recognised as the services are performed or the conditions satisfied.

c) Donations and bequests

Donations and bequests are recognised as revenue when the association gains control or right to receive, economic benefits are probable, and the amount of the donation or bequest can be measured reliably. This is generally on receipt.

d) Other revenue

Revenue from other sources is recognised when the fee in respect of other products or services provided is receivable.

1.4 Income tax

The association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short term highly liquid investments with original maturities of three months or less and are subject to an insignificant risk of change in value.

1.6 Plant and Equipment

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation and any impairment losses.

In the event that the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised in profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1.8 for details of impairment).

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to the association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of fixed asset	Depreciation Rate
Office furniture	15%
Office equipment	25%
Information technology	33%

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2016

1 Significant accounting policies (continued)

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the asset's carrying amount. These gains and losses are included in the statement of comprehensive income.

1.7 Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the association becomes a party to the contractual provisions of the instrument. For financial assets, this is the equivalent to the date that the association commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method, or cost. The subsequent measurement depends on the classification of the financial instrument as described below.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- the amount at which the financial asset or financial liability is measured at initial recognition;
- less principal repayments;
- plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest method; and
- less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

The classification of financial instruments depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and at the end of each reporting period for held to maturity assets.

a) Loans and receivables

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to be realised within 12 months after the end of the reporting year.

b) Held-to-maturity investments

These investments have fixed maturities, and it is the association's intention to hold these investments to maturity. Any held-to-maturity investments held by the association are stated at amortised cost using the effective interest method.

c) Available-for-sale financial assets

Available-for-sale financial assets include any financial assets not included in the above categories. Available-for-sale financial assets are reflected at fair value. Unrealised gains and losses arising from the changes in fair value are recognised in accumulated funds.

d) Financial liabilities

Non derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Fees payable on the establishment of loan facilities are recognised as transaction costs of the loan.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2016

1 Significant accounting policies (continued)

Borrowings are classified as current liabilities unless the association has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Impairment of financial assets

At the end of each reporting period, the Management Committee assess whether there is objective evidence that a financial asset has been impaired through the occurrence of a loss event. In the case of available for sale financial instruments, a significant or prolonged decline in the value of the instrument is considered to indicate that an impairment has arisen.

Impairment losses are recognised through an allowance account for loans and receivables in the statement of comprehensive income.

1.8 Impairment of non-financial assets

At each reporting date, the Management Committee assess whether there is an indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. For the purpose of determining recoverable amount, value in use is measured as the asset's depreciated replacement cost. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which it belongs.

1.9 Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. Trade and other payables are unsecured.

1.10 Employee benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits not expected to be wholly settled within twelve months have been measured at the present value of the estimated future cash outflows to be made in respect of those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those estimated cash outflows are discounted using market yields on Commonwealth government bonds with terms to maturity that match the expected timing of cash flows.

1.11 Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

1.12 Economic dependency

The association is dependent on the ongoing receipt of grants from the Federal and State Governments to ensure the continuance of its education services.

1.13 Donated services

The association partly relies on voluntary services of its supporters. These services are not brought to account. *Overseas Development Work*

However the management committee estimates that the volunteer time devoted to overseas development work for the financial year was \$1035.75. This was calculated according to the Australian pay rate as outlined in the Department of Foreign Affairs and Trade website.

Community Education

The committee also estimates that donated volunteer time devoted to Community Education was \$1412.94. This is in addition to the Community Education expense (\$6213.44) shown under Disbursements in the Income Statement (page 6) giving a total amount for Community Education of \$7626.38.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2016

2 Accountability and administration		
	2016	2015
	\$	\$
Audit fees	6,170	6,000

There has not risen in the interval between the end of the reporting period and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the Management Committee, to affect significantly the operations of the entity, the results of those operations, or the state of affairs of the entity in future years.

16 Association details

The principal place of business of the association is: 119 Devonshire Street
SURRY HILLS NSW 2010

MANAGEMENT COMMITTEE DECLARATION

The Management Committee of Quaker Service Australia Incorporated declare that, in their opinion:

- (a) the financial statements and notes as set out on pages 6 to 18, are in accordance with the Australian Charities and Not-for-profits Commission Act 2012, Australian Council for International Development Code of Conduct Financial Standards, the Associations Incorporation Act 2009 (NSW) and:
 - i. comply with Australian Accounting Standards Reduced Disclosure Requirements; and
 - give a true and fair view of the financial position as at 30 September 2016 and of the performance for the year ended on that date of the association;
- (b) in the Management Committee's opinion there are reasonable grounds to believe that the association will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Management Committee.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF

QUAKER SERVICE AUSTRALIA INCORPORATED

Report on the Financial Report

We have audited the accompanying financial report of Quaker Service Australia Incorporated (the 'association') for the year ended 30 September 2016 consisting of the Statement of Profit or Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows, accompanying notes and Committee Members' Declaration.

Responsible entities' Responsibility for the Financial Report

The Committee Members' of the association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012, Australian Council for International Development Code of Conduct Financial Standards, and the Associations Incorporation Act 2009 (NSW). Further, the Committee Members are responsible for such internal control as the association determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee members, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our modified audit opinion.

Basis for Qualified Opinion

Fundraising revenue is a significant source of revenue for the association. The small size of the organisation limits its span of control over more remote fundraising activities by its volunteers around Australia. Accordingly, as the evidence available to us regarding revenue from these sources was limited, our audit procedures with respect to fundraising had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether donations and fees recorded for the association are complete.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report of Quaker Service Australia Incorporated is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, Australian Council for International Development Code of Conduct Financial Standards, and the Associations Incorporation Act 2009 (NSW) including:

- (i) giving a true and fair view of the association's financial position as at 30 September 2016 and of its performance and cash flows for the year ended on that date; and
- (ii) complying with Australian Accounting Standards Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.
