59 Boundary Rd, Wahroonga NSW 2076

Process to become a Member of Quaker Service Australia (QSA).

Membership opportunities with QSA will be periodically advertised within the Quaker and the International Development community.

To nominate to become a member of Quaker Services Australia nominees are asked to:

- Complete a nomination form
- Provide a current CV
- Once completed these documents are to be returned to the Board Chairperson at Chair@qsa.org.au.

Once the application is received it will be circulated to the Board for consideration. This may be done either in a Board meeting or by email.

Once approved by the Board the nomination will be circulated to the nominations committee of Australian Yearly Meeting (AYM). AYM meets twice yearly – in January and July. If a nomination falls outside of this timeframe there is a process within AYM for fast-tracking applications.

AYM will report back to the Chair of QSA to confirm is the nomination is accepted or not.

Once accepted the nominee is presented to the QSA Board and entered on the register of Members.

There are a number of security checks which QSA conducts on all nominees before their nomination is accepted. These checks are an essential part of our adherence to the Australian Council for International Development (ACFID) Code of Conduct and part of our contractual agreements with the Department of Foreign Affairs and Trade's (DFAT) Australian NGO Cooperation Program (ANCP). These are:

- A counter-terrorism check
- A check against the ASIC register of banned and disqualified persons
